Welcome to the 2026 Missions Conference

Greetings Westminster!

There are good things in store for us in this upcoming Missions Conference. We are grateful for each of you who gave to the Faith Promise fund this past year so that we can continue to support missionaries locally and around the world. Hours of preparation, planning, and prayer have gone into what we hope will be a wonderful couple of weekends together. In your hands is more than a booklet; it represents the families, individuals, and organizations that Westminster supports in mission.

This year's theme is "Reached for Christ, Equipped to Serve," with a special focus on Reformed University Fellowship (RUF) at Florida Gulf Coast University. College is a critical season when young adults leave home, encounter new ideas and value systems, and wrestle with what is real, trustworthy, and life-giving. In a time when the need for truth, hope, and joy is at an all-time high, the Church is uniquely positioned to hold out the gospel of Jesus Christ. RUF is a campus ministry that reaches students from all backgrounds with the hope of Christ, inviting them into authentic relationships, the study of God's Word, and meaningful connection to His Church. .

Since the founding of the Presbyterian Church in America in 1973, RUF has served as a vital outreach to college campuses across the U.S. and beyond. According to RUF's 2025 Ministry Report, God is at work in remarkable ways.

- By God's grace, more than 22,000 students are involved in RUF large and small groups each week on campuses around the world.
- RUF is now present through 162 RUF ministries, plus 25 RUF International and 14 RUF Global ministries, reaching students from the U.S. to campuses overseas.
- With a clear mission to reach students for Christ and equip them to serve, RUF is seeing students come to faith, grow in the gospel, and impact the lives of others.
- Through the Bright Hope for Tomorrow campaign, RUF aims to launch 50 new ministries—including at HBCUs, in high-cost cities, and in other countries—while strengthening existing works.

RUF is doing strong, kingdom-advancing work as each chapter helps students meet and follow their Savior, Jesus Christ. Our prayer is that this conference will help you learn more about RUF and equip us, as members of Westminster, to connect with our local RUF chapter so that our young adults can find real community in our church and be mentored and discipled by other believers and church leadership. We long to see them reached for Christ and equipped to serve in His Church.

Over the first weekend, February 15, during Sunday School, we will hear from Mika Sesler and Noah Brown, two RUF interns at FGCU, as they share their testimonies, describe life as RUF interns, and recount how God has been at work through their ministry. In the worship service, Pastor Gage will preach God's Word and challenge us to welcome the next generation into our covenant community. The following weekend, February 22, we will host a panel discussion with Rev. Lucas Tanner (RUF Director at FGCU), Mark and Linda Wardell, and Pastor Gage, highlighting the story of RUF at FGCU, key strategies for reaching college students, and practical ways our church can actively connect with them. Rev. Lucas Tanner will also preach in the worship service, and the RUF worship team will help lead us in praise. After the service on February 22, we will share a special potluck in the Fellowship Hall—a time to feed our RUF students, get to know them, and deepen our connections. It is going to be a rich couple of weekends together.

This booklet is meant to be more than a list of names. Inside you will find a prayer guide to help you intercede for these missionaries and organizations throughout the year. Consider setting aside time each Sunday in 2026 to pray through this book: turn to a page, read the brief bio, and use the provided requests to guide your prayers. Our hope is that this will be a lasting resource for you and your family.

Sincerely,

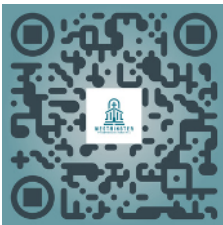

The Westminster Missions Committee

February 22nd: Guest Preacher: Lucas Tanner, Campus Minister, RUF Florida Gulf Coast University

Lucas was born and raised in Naples, Florida. He met his wife Bobbilee while studying business at the University of Florida. They got married in November 2004 and have three children: Isaac, Sadie and Molly. Lucas earned a Master of Divinity from Knox Theological Seminary and has been a minister to students for 20 years.

Guest Speaker: Noah Brown, RUF Intern, RUF Florida Gulf Coast University

Noah Brown was born and raised in Fort Myers, FL. He grew up in a Christian household and was saved at a Christian youth camp in North Carolina when he was 14. Noah studied Digital Media Design at FGCU for four years, all the while attending RUF. Through RUF Noah learned how to facilitate small groups, lead a worship team, host events and much more. He also met some of his closest friends to date there and fell in love with leading worship having led the team for his last year as a student and then was brought on staff to continue leading. He ventured out into the world of marketing and graphic design and quickly discerned he desired to enter into a role in vocational ministry, and RUF was the perfect fit, especially after God opened multiple doors which pushed him towards the RUF internship. When Noah isn't busy with RUF related things he enjoys playing spikeball, writing music, playing video/board games, long-boarding and hammocking. Noah is a member of Providence Christian Church in Cape Coral, a PCA church located relatively close to FGCU's campus. Noah works primarily with freshman and fringe students at FGCU. He leads the freshman Bible study and disciples students one-on-one. He also leads our music team.

Guest Speaker: Mika Sesler, RUF Intern, RUF Florida Gulf Coast University

Mikaela Sesler grew up in Orange County, California. She recently graduated from UCLA with a degree in Financial Actuarial Mathematics. She loves spending time with people—whether it's on long walks, drives along the PCH, or during a game of beach volleyball/spikeball. Through RUF at UCLA, God deepened her knowledge of His ceaseless comfort and grace. She loves the students and staff at FGCU, and she is so grateful to be in Fort Myers!

FLORIDA CHURCH PLANTING NETWORK

FLchurchplanting.org

We are a supporting organization. We support Presbyteries and “Mother Churches” as they plant churches. We pray, provide a community of churches and men who want to plant churches, look to implement best practices, and provide way to increase the planter’s chances for success. Studies have shown that analyzing the plant location, assessing the Planter’s skills and readiness, providing training for fund raising, offering solid coaching, providing adequate funding, and caring for the spouse of a Church Planter, all increase the likelihood of a successful plant. We have entered a season of long-hoped-for expansion, as we are now actively working with both Gulfstream and South Florida presbyteries to assist current mission churches, and plant new churches in South Florida. This means that there is now a coordinated state-wide church planting effort among PCA presbyteries and churches, at a time where we are seeing explosive growth everywhere.

What We Do:

- Use our network of pastors to recruit church planters.
- Provide guidance on how to plant a church
- Provide accountability to church planter.
- Provide financial assistance for training, seminars, moving expenses, and support for the church plant.
- Developing Parakaleo chapters to support wives of PCA pastors and church planters.

PLEASE PRAY:

- For strong presbytery leadership & Visionary leadership in local churches in all parts of the state
- For more churches, especially from South Florida presbyteries, to officially join our network as member churches or church planters to be raised up.
- For new churches to be planted in Florida
- For the spiritual health of church planters and their spouses.

CAMPUS MINISTRY

LUCAS TANNER Reformed University Fellowship | FGCU

Phone: (954) 495-7739 Email: Lucas.Tanner@RUF.org

Reformed University Fellowship at Florida Gulf Coast University

Reformed University Fellowship (RUF) is the official campus ministry of the Presbyterian Church in America (PCA). RUF at Florida Gulf Coast University (FGCU) started in 2015 and now ministers to more than 400 students each year. RUF exists to reach college students for Jesus Christ and equip them for a lifetime of flourishing and service in the local church. This happens through large group preaching and teaching, small group Bible studies, and one-on-one discipleship and evangelism.

God has been growing the ministry in significant ways. Weekly large group gatherings have reached upwards of 250 students, about 100 more than last year. Last year, fifteen small group Bible studies met on campus. The student leadership team grew from 24 to 60 students, serving across ten ministry teams. This fall, a new freshman outreach was also launched called First-Year Fellowship. Each week, 50 to 60 freshmen gather for Bible teaching and small group discussion.

The Lord has also provided additional staff support. This year, RUF at FGCU welcomed a new female intern, Mikaela (from RUF at UCLA), who has quickly become an integral part of the team. RUF interns are recent college graduates who learn under, and minister alongside, a seasoned campus minister. Interns work primarily with freshmen students. The fruit of the ministry is also extending beyond graduation. This fall, four FGCU alumni began serving as RUF interns across the country: Caedmon, Sean, Josh, and Sara. They join four other FGCU graduates already serving in ministry with RUF.

How You Can Pray

- Praise God for the ways He has drawn students to Himself and for the many stories of growth happening quietly beneath the surface.
- Pray that this growth would lead to spiritual depth, not just attendance, and that students would truly encounter Jesus through His Word.
- Pray for student leaders, that they would grow in humility, integrity, and endurance as they serve.
- Pray for freshmen, that First-Year Fellowship would be a lasting foundation for discipleship and friendship.
- Pray for campus minister (Lucas) and interns (Mikaela and Noah) and for alumni serving around the country, that they would be faithful and fruitful wherever God has sent them.

He is currently developing a video ministry to encourage a discipleship lifestyle among Christians in the French-speaking world. His burden is to instill a vision for church planting, discipleship, and a desire to see God's kingdom moving forward in French-speaking Europe. Claire-Lise teaches in a private Christian school in Aix, and they are both actively involved in a local church.

PLEASE PRAY:

- For their Son's who were each married in 2025 - for guidance and blessings on their marriages

BRUCE & PAM SINCLAIR
Mission to the World | Uganda

P.O. 31914 Kampala, Uganda

bpsinclair@gmail.com

pam.messer.sinclair@gmail.com

Bruce and Pam have been serving in Uganda since 2005, with Bruce acting as the country director for Mission to the World (MTW) and leader of the Kampala team. Their ministry focuses on equipping church planters, pastors, and Christian workers through the Westminster Christian Institute. Bruce's church-planting students have established over 100 new churches across Uganda and other African nations. Additionally, Bruce serves on the board of Trinity Biblical Institute, which trains 600 students at seven sites across five African countries.

In 2024, after nearly 22 years with MTW, Bruce and Pam transitioned to work with the Trinity Center for World Mission (TCWM), continuing their focus on training leaders for the church in Africa. Bruce also serves as a part-time interim pastor at Holy Cross Church in Marana, AZ. He coaches leaders of TCWM's seminaries in Uganda and Rwanda and regularly travels to teach and support faculty. Pam, deeply committed to prayer, spends hours each morning praying for their family, ministry, and global Kingdom work. She leads multiple prayer groups and joins others in fasting and prayer.

Please pray for the following:

- The successful licensing of Trinity Biblical Institute in Rwanda to train pastors.
- God's provision of health and funding for their ongoing ministry.
- The 45 new students at TBI in Rwanda and recent graduates from ARTS in Uganda, that they may be sent out into God's harvest.
- Pray for us in our various ministry roles. The desire of our hearts is to press on toward the goal for which God has called us heavenward and to finish the race well.
- Ask God to bless us with good health and adequate funding to do the work to which He has called us.

CARLA STEVENS Mission to
the World PS78Teachers

FL 33813

c.stevens@PS78Teachers.org
www.PS78Teachers

Carla's ministry assists parents, church leaders, and schoolteachers as they partner together to intentionally disciple and wisely guide children to develop a Reformed biblical worldview. In the last decade, Christians in many countries have started private day schools and home schools. A majority of the teachers, however, are not equipped to teach from a biblical perspective or convey a biblical worldview. Most of the current efforts to address this problem are short term and have limited long term impact. PS78Teachers entered into a unique partnership with MINTS Seminary (MINTS.org) to provide a long-term, biblically based, degree-granting, online teacher education program that includes ongoing feedback and accountability for participants.

PLEASE PRAY

- Presenting teacher workshops at Kayunga and Kampala.
- Teaching two courses for MCE degree students at the Africa
- Reformation Theological Seminary in Kampala.

JEREMY & ANGEL MARTIN
Serge - London

jmartin@serge.org

amartin@serge.org

PLEASE PRAY:

- Over the last 2+ years, we have been holding officer candidate training. Of our 3 Ruling Elder candidates, 2 removed themselves from standing due to strenuous family and work responsibilities. I was voted on by our church and endorsed to serve as an Elder for our church, New Life Masih Ghar. After a successful examination from the IPC's Candidate and credential committee, I can then be ordained and installed as a Ruling Elder.
- We have 3 deacon candidates that have completed their training. After their examination and ordination, I long to encourage and help equip this diaconate for this wonderfully impactful office. Please pray that the hearts and eyes of these deacons would be fixed on Jesus and that their actions within and without our church would bring Glory to Christ alone.
- For the last 15+ years, we have rented the local Methodist church's sanctuary and hall for our worship services and outreach ministry. We were recently informed that after 125 years, this congregation will be closing. We are in discussion with the Methodist Trust to try and purchase their building. Please pray for favor in these discussions. Please pray for this building that has been used for gospel ministry for over a century will continue to proclaim the gospel of Jesus Christ
- 85% of our neighbors profess to follow Sikhism, Islam or Hinduism. Pray that we would be encouraged in the grace of Jesus to persevere in this work. Pray for the Holy Spirit to move and for the Grace of Jesus to transform our neighbors' hearts.
- Pray for Angel and I as we lead our Serge team. We long to love them, to support them, to encourage and equip them and most of all, to care for them in ways that make them and their ministry sustainable in such a hard and emotionally heavy place. Please pray that we would be fast repenters, gracious forgivers and chief believers in God's good promises, steadfast love and unending mercies.
- Our family now lives a world apart. Our two older daughters are both in university. Please pray for them and their walk with Jesus. Please pray for us as we long to care for our daughters, even while they are so far from us. Pray for Caroline as she really misses her two sisters.

For some 60 years, LOGOI has been in the ministry of helping “Equip God’s (Spanish speaking) people to do His work and build up the church, the body of Christ” (Ephesians 4:12). Today there are over 32,000 pastors and leaders registered in our program along with an additional 300,000+ non-registered people who use our free Bible studies and resources.

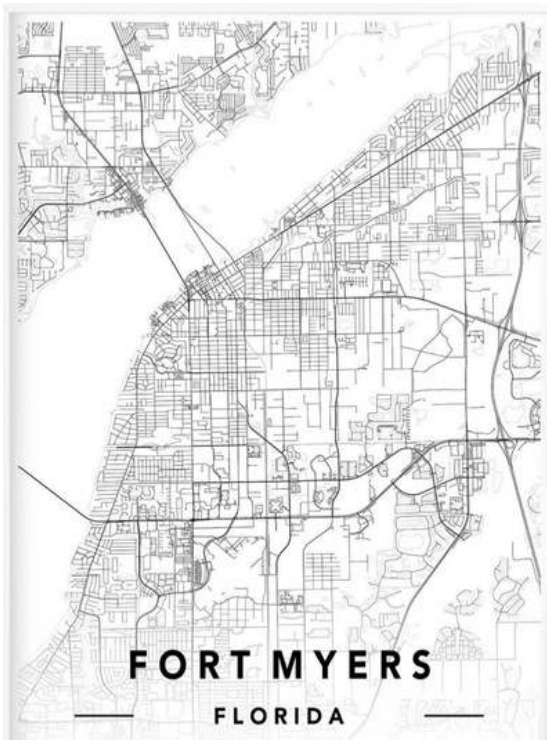

Taking his father’s place, Ed overseas the ministry in all aspects and “Abuela Carolina” (Ed’s Mom and the wife of LOGOI’s founder, Dr. Les Thompson) makes sure all members of our LOGOI family both in English and Spanish are kept informed and encouraged.

Carolyn communicates with as many as she can and has even begun to sew children’s clothes to help our national pastors who are working with children in poverty areas. You are welcome to assist in this very basic ministry that they say opens the doors to evangelism. Myers, FL 33966

Thank you for standing with us in our mission to serve women and families across SW FL. Your generosity continues to make a profound difference in the lives of those facing unexpected pregnancies, and we are grateful for the opportunity to share an update with you.

Our network of pregnancy clinics and education centers, in Fort Myers and Naples, remains committed to providing compassionate medical care to every woman who walks through our doors. Through confidential consultations and life-affirming ultrasounds, we help women see the miracle of life in the womb. These moments often bring clarity, hope, and renewed strength. Beyond medical care, our Aspire Resource Centers continue to offer education, mentorship, and ongoing support. These programs equip mothers and families with parenting skills, emotional encouragement and access to our Baby Boutiques.

Every service we provide is offered at no cost to the patient, removing barriers during what could be one of the most vulnerable seasons of a woman's life. At the heart of everything we do is our commitment to compassionate care and Christ-centered hope. Whether we are welcoming a woman into her first appointment, guiding her through difficult decisions, or walking alongside her after birth, our team strives to reflect love, dignity, and grace every step of the way.

In 2025, 265 babies were saved and we witnessed 105 professions of faith, changing lives for eternity!

PLEASE PRAY:

- For the women who have chosen life for their babies.
